EMPLOMENT EXPERIENCE

2018 – CURRENT

TRIP LEADER/CWI/ROPES COURSE FACILITATOR, UW-EAU CLAIRE RECREATION

I worked with other student employees to plan, organize, and facilitate adventure trips through the EAC. Through leading trips, I gained experience in organization, leadership, and group management.

2013 – 2018

MAINTENANCE ENGINEER, MINNESUING ACRES

While working at Minnesuing Acres I gained skills in a wide range of practices, from woodworking to group management to tech support. The small staff and intimate setting provided me opportunity for a wide range of learning environments.
